

Copy for Mr. Givens.

No. 125.

10 January 1935. / 135

Sir,

With reference to our correspondence on the subject of Leonid Musin, who was fined \$ 80.-- by the Shanghai District Court on 9 November 1934 for being in possession of a false passport, I have the honour to inform you that, according to a communication received from the Police at Utrecht, the original holder of Netherlands passport 389801, Johannes Theodorus Blokker, used it only for travelling to Belgium, returning to Holland in July 1931.

J. Th. Blokker has not left Holland and it is thought his passport was stolen from his overcoat in December 1931.

I should be greatly obliged therefore if you could let me know whether Musin applied for a visé with the Chinese Consulate in Marseilles on 7 June 1932 (visé No. 5568) and whether, on arrival in Shanghai on 12 July 1932, he has filled in the official Chinese forms.

If there should be evidence that some person other than Musin travelled on Blokker's passport to China, I should be grateful for any information it might be possible to furnish me in this connection.

I have the honour to be,

Sir,
Your obedient servant,

(Sd.) Jan G. J. P. van der ...
